

Sharp Airlines Adelaide Base Metro Pilots Position Description

Position Objectives

Sharp Airlines is regionally focused and driven; and is committed to providing air services that are of a competitive standard throughout South East Australia. For 18 years Sharp Airlines has built a culture based on service and innovation, a culture that: listens to customers and employees; looks for opportunities; invests in training and development; encourages initiative; and spreads new ideas.

We are looking for personnel that not only meet the minimum requirements and key responsibilities below but have a proven ability to deal with members of the public. We want staff who can represent Sharp Airlines to our clients and customers.

Position Description and Remuneration

Successful applicants will be contracted to work on average around 70 hours of duty per fortnight on a 5 day roster Monday to Friday on RPT and fixed contract flights.

Sharp Airlines' base rate starts at \$75,000 per annum and is subject to experience, previous training and checking qualifications; and length of commitment. In some cases packages of up to \$95,000 may be negotiated.

Some weekend work may be required in the longer term and additional remuneration will be negotiated at a later date. We endeavor to develop a family friendly workplace where possible.

Additional Benefits/Package

Sharp Airlines is willing to negotiate further with potential applicants and is capable of providing a package to suit individual needs. This may include:

- Accommodation.
- Fly in fly out options.
- Flexible Roster i.e. weeks on/weeks off.
- Additional Superannuation entitlements.
- Provision of mobile phone and payment of capped monthly limit.
- Initial issue of uniform and ongoing upkeep.
- Jeppesen Documents.
- Staff and family travel.
- Negotiation of leave for family, religious or sporting events.
- Class 1 Medical expenses.
- Fuel and/or vehicle expenses.

Minimum Requirements.

- ATPL.
- Current Multi Engine Command Instrument Rating.
- 2000 hours aeronautical experience (candidates approaching these hours may be considered).
- 500 hours multi engine command.
- 250 hours on turbine aircraft.
- Hold an Australian Security Identification Card (ASIC).
- Dangerous Goods Awareness Course.
- Recent CRM Training.

Key responsibilities

- Able to work accurately and neatly.
- Good presentation and a pleasant manner.
- Sound organisational skills.
- Can work under pressure and meet critical deadlines.
- Able to work on any day of the week if required (subject to negotiation).
- Able to present an appropriate image for the organisation.
- Can deal competently with people and problems they encounter.
