New Flight Schedules Released

Sharp Airlines has announced new flight schedules for their Mildura and Port Augusta services, effective from 12 October.

Sharp Airlines Managing Director Mr. Malcolm Sharp said the change to schedules allowed greater flexibility for passengers and linked in with Sharp's expanded network of services in South Australia and Victoria.

"Now customers are able to enjoy a full day in Port Augusta or Adelaide for business meetings, shopping or visiting relatives," Mr. Sharp said.

Mr. Sharp said the change in flight schedules was a result of customer feedback and Sharp Airline's ongoing commitment to provide the very best in regional airline services.

Sharp Airlines will celebrate the release of the new flight schedules by offering customers \$109* flights from 12 October until 24 December. Bookings can be made online now.
